

# Fellowship Worship Agreement

The purpose of our Worship Ministry is to use music and worship related talents in a way that brings God the most glory and leads others into worshipping Him. The most visible function of this ministry is to provide music/tech for, and lead in, worship during our Main worship. We want to make Fellowship Worship an enjoyable experience for all who serve as well as those whom we are serving. Being on stage isn't a position of pride or rank. It is an important role as leaders to lead our church in song and worship to our great God. That being said, we also want to hold ourselves to a standard of excellence that is seen and felt, since excellence attracts excellence. The purpose of this agreement is to clearly lay out what will be expected of those who desire to be a part of this ministry.

## Gravity and KidsLife

If you are interested in helping with worship in our Gravity or Kidslife services we would love to have you! Also, if we see characteristics in you that might be used well in those areas we will pursue you in a conversation about potentially serving, but of course we would want you to want to serve there.

## Agreement with the Worship Director

The following section is an agreement you are making with the worship leader of the particular service that you are participating in. You agree to follow these guidelines to the best of your ability. Please note that the person leading your service may or may not be a staff member of the church, but has been given authority to make decisions on every aspect of worship and technology for that service.

- I agree to abide by and respect the decisions on parts, arrangements, and tech/sound made by the worship leader.
- I agree to always practice a humble attitude on and off stage.
- I agree to treat my fellow band mates with kindness, to speak words that edify and give grace to their ear. Disrespectful behavior will be addressed and may lead to not being scheduled.
- I agree to be at rehearsals on time and understand that if I am consistently late I will have a conversation with the Worship Director. If I know I will be late I will contact the Worship Director.
- I agree to check the church Planning Center Online account for scheduling and respond as soon as I can.
- I agree to learn my parts and I will ask the Worship Director or leader for help if needed.
- I agree to bring issues I am having with the worship ministry to the Worship Director.
- I agree to let the Worship Director know ASAP if I **can't attend rehearsal**.
- I agree to treat all equipment with respect

## **Agreement with God**

Jesus said that we are to worship in spirit and truth. True worship cannot be faked or forced, it must come out of a deep love and adoration we have for who God is and what He's done for us. Understanding that, please carefully read the section below that outlines the agreements that you, as a worship team member, are making with God.

- I agree to follow Jesus and strive to know Him more.
- I agree to be open to personal accountability with other believers who love me and are committed to my spiritual growth and development.
- I agree to submit to the leadership and authority under which God has placed me.
- I agree to conduct myself Monday through Saturday in a way that is consistent with what I am professing to believe on Sunday.
- I agree to be actively involved in the Church when I am not serving on the team and to regularly attend weekend services. (Although not required, if you are not already a member, please consider membership in the church.)
- I agree to do my best to exhibit the fruits of the Spirit: "love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control." -Galatians 5:22-23

By signing below I am stating that I have read and accept the agreements.. I fully understand that my volunteering in tech, vocal, instrumental, or otherwise is completely contingent on the need that is present and I may not be asked to serve every week. If I have any issues with anyone or anything above I will talk directly to TJ or Sydnie. I acknowledge that if I fail to uphold these standards, I may be asked to step down from serving at the discretion of the Worship Director. I will do my absolute best to strive for excellence in the pursuit of honoring God.
