Faith, Responsibility, and the Hidden Hand of God / 6.14.20

Icebreaker

What are some personal experiences of when you were able to witness someone in your life care for the less fortunate?

Spend some time **PRAYING** for those in need and how the church can actively care for and love people in communities that are hurting.

RUTH 4:1-12

What is one thing from Justin's message/our passage that stood out to you?

Heart Check: Where in your life do you merely "avoid disobeying" as opposed to "joyfully obeying"? (scripture, law, parents, etc.)

What is the spiritual significance of **waiting**?

Have the group look up some verses on "waiting".

If a friend were to ask you, "How can your God provide for me?" What would you say?

Why do we share our testimonies?

Men's/Women's Time

Have a time of **sharing**. (i.e. Share highs/lows in this season, needs in your home/community, etc.)

Reflection: What are some areas in your life that you have had to/are currently waiting on the Lord?
