### A God of Grace Extends Grace to All Cultures / 6.28.20

#### Icebreaker

Describe your family (immediate and extended) in 3 words.

What are some ways that our families impact us?

Spend some time **PRAYING** (to yourself) for your family.

---

#### RUTH 4:13-22

What is one thing from Justin's message/our passage that stood out to you?

How is this story primarily about God?

Who have you most identified with in the book of Ruth?

Define Grace.

God is a God who extends grace to sinners. What about this grace is hard? What about this grace is good?

Only Christianity has a God that can have diversity AND unity at the same time. Why is this true?

#### Men's/Women's Time

Have a time of **sharing**. (i.e. Share highs/lows in this season, needs in your home/community, etc.)

**Reflection:** What are some areas in your life that God has extended grace to you?
