

Life Group / Vision Sermon / 8.16.20

Icebreaker

What is one strength/skill that you wish you had?

ACTS 2:42-47

What is something from Justin's message/our passage that stood out to you?

We're going to do a SWOT analysis of the church (both locally and globally).

S / Strengths

W / Weaknesses

O / Opportunities

T / Threats

STRENGTHS

What is one thing that Fellowship does best? Why does God have you at Fellowship right now?

WEAKNESSES

In the context of our passage, what is one thing that you believe that WE as Fellowship could improve on? How am I personally invested?

What is Fellowship's mission/vision statement? Where do you see yourself hesitating to live this mission/vision out?

OPPORTUNITIES

If someone were to say to you, "I want to get involved at Fellowship," what would you tell them (without sending them to a staff member or the website)?

What are some specific needs in our church/community? Where are we seeing spiritual movement?

THREATS

Where is the Gospel narrative absent in our worldview? How has Christianity helped our cultural worldview? How has Christianity harmed it?
