

WITH: The Word / 9.20.20

Icebreaker

What is a weird thing that you did as a child?

PSALM 119:89-104

What stood out to you from Justin's message/our passage?

Why do we read God's Word?

Why should we trust it?

Why do we use it?

Quiet Time / PSALM 119:105-125

For the next 20 minutes, take time to read on our own.

*A helpful outline for a quiet time is Read, Record, Reflect, and Respond.

(Once back together) What are some observations you made from the text?

Men's/Women's Time

Have a time of **sharing** (i.e. Share highs/lows in this season, needs in your home/community, etc.).

RESPONSE / WITH step

A WITH step is our response that we can implement WITH someone else (friend, God, etc.).

WITH step: How can you love God's Word more deeply this week?

PRAY for one another.
